Corrigendum to ‘Dual packed bed adsorption of sulfur dioxide from surface modified hematite/III-ferric oxide: Characterization of the mass transfer zone’ [S. Afr. J. Chem. Eng. 33 (2020) 95–102]

Albert Selvakumar Jeyapaul^a, Mahesh Ganesapillai^{b,*}^a Chemical Engineering Department, College of Engineering and Technology, Samara University, Afar Region, Ethiopia^b School of Chemical Engineering, Vellore Institute of Technology, Vellore 632014, Tamil Nadu, India

The authors regret that the affiliations of the Corresponding Author and the co-author have been changed.

Previous affiliations:

Albert Selvakumar Jeyapaul, a, Mahesh Ganesapillai, b a. Lecturer, Chemical Engineering Department, College of Engineering and Technology, Samara University, Afar Region, Ethiopia. b. Professor, School of Chemical Engineering, Vellore Institute of Technology, Vellore 632014, Tamil Nadu, India

Correct affiliations

Albert Selvakumar Jeyapaul, a1, a2, Mahesh Ganesapillai, b a1. Research Scholar, School of Chemical Engineering, Vellore Institute of Technology, Vellore 632014, Tamil Nadu, India a2. Lecturer, Chemical Engineering Department, College of Engineering and Technology, Samara University, Afar Region, Ethiopia. b. Professor, School of Chemical Engineering, Vellore Institute of Technology, Vellore 632014, Tamil Nadu, India.

The authors would like to apologize for any inconvenience caused.
